MEMORANDUM FOR: Director of Central Intelligence

VIA : Deputy Director of Central Intelligence

FROM : Director, Office of External Affairs

SUBJECT : Cocktail Parties for HPSCI and SSCI Staffs

1. In an effort to kickoff the 2nd Session of the 97th Congress, with a personal touch, I want to have a cocktail party for the staff personnel of the Oversight Committees. What we have in mind is a get together, on two separate evenings, during the second week in February, in the Executive Dining Room between the hours of 5:30 and 7:30 p.m. We would invite the entire HPSCI and SSCI staffs for cocktails and hors d'oeuvres and a chance to mingle with those in the Agency with whom they have the most direct contact. This, of course, would include the Agency's leadership, members of the LLD responsible for the Committees as well as myself. I would hope that you and the Deputy Director as well as the Executive Director and the other Deputies might make yourselves available to mingle informally with the staffs. Additionally, I would envisage inviting others from the Agency who have more than a passing acquaintance with Hill personnel.

2. To my mind, this would be an excellent opportunity for you and the Deputy Director to spend some time personalizing your approach to these individuals. The staffers would be flattered. Whether you can attend or not, will you please give your authority for such an affair so we can proceed.

STAT

I am not enthused about contact parties by govt agencies for Congressional staffers
